A pendant light that becomes a special eye-catcher thanks to the elegant glass shade in the shape of a cone. You can place the light perfectly above your dining table, where it is shown to its best advantage and illuminates the table surface in a targeted manner. It has a maximum suspension length of 130 cm and a diameter of 20 cm. The smoke-coloured glass makes the light look very tasteful and elegant. It matches a stylish furnishing style. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
