The LUMINA pendant light is a special eye-catcher in your living area thanks to its elegant glass shades! The different shapes of the three shades and the composition of metal and glass create a beautiful and unique lighting atmosphere that gives your dining area a modern touch. Thanks to the matt black colour scheme and the amber glass shades, there is plenty of scope for other colours, making it wonderfully easy to integrate into existing living concepts. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
