The LUMINA ceiling light impresses with its clear design: three differently shaped oval glasses create a fascinating interplay of light and form. This variation in size and contour gives the luminaire a lively dynamic without losing its understated elegance. Perfectly positioned above a living room table, in the hallway or in the bedroom, LUMINA sets stylish accents and adds a subtle touch of sophistication to contemporary living concepts. The three light sources provide pleasant, uniform illumination and create a warm atmosphere. Made of robust metal in elegant matt black and combined with amber-coloured glass, LUMINA brings natural warmth and timeless style into your home. The harmonious colour combination enhances the modern character of the luminaire and creates an inviting atmosphere. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
