The secret of TRIO recessed luminaires is: timeless, flexible, design-orientated! With the right recessed lights, stylish accents can be set and an atmospheric ambience created. The swivelling recessed spotlights in the KENAI range can be used in a variety of ways - whether as ambient lighting or for targeted accentuation of selected areas. The light source is interchangeable, giving you the option of choosing your personal favourite from switchable and dimmable light sources for wide-area or directional light. The design is timeless and blends easily into a variety of interior styles. The KENAI recessed spotlight measures 170 x 90 mm and requires an installation depth of at least 110 mm. White matt luminaire design is absolutely on trend and blends wonderfully into modern living spaces. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal · White mat
