excl. 1x E27 · max. 28W

### **Features:**

- Adjustable in height
- Ceiling mounting
- IP20
- Lamp(s) not included

The ROBIN pendant luminaire is a lighting variant for the DUOLine track system. The 2-phase system is extremely flexible and offers numerous options for customised lighting design. The modern pendant light becomes a special eye-catcher thanks to the elegant cylindrical glass shade. You can place the light perfectly above your dining table, where it is shown to its best advantage and illuminates the table surface in a targeted manner. Thanks to the matt black colour scheme with the smoke-coloured glass, the light can be combined with many furnishing styles. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
