The MARLEY pendant luminaire is a lighting variant for the DUOLine track system. The 2-phase system is extremely flexible and offers numerous possibilities for individual lighting design. The puristic design of the pendant fits perfectly into any interior style. The simple colour design in matt brass makes it easy to integrate into existing colour schemes. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
