Perfect and variable light! The MARLEY spotlights are not only practical in form and function, but also one thing above all: simply beautiful! The luminaire has a discreet design and impresses with its high-quality workmanship. The spotlights of the 2-flame luminaire are freely movable and can be individually aligned as required. Whether in the kitchen, in the hallway or in the living area: the MARLEY is versatile and can be easily combined with different furnishing styles. It is designed in matt black and can therefore stylishly complement and complete modern colour concepts. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
