The single-flame BIDAR pendant light brings a special feel-good light into your home and becomes a shining centrepiece in any room. The light shines gently through the patterns and creates a unique play of light in the surroundings. The natural wood accents of the luminaire enhance the warm feeling of cosiness. The BIDAR is truly a visual highlight with a cosy flair! The metal in coffee and gold colour, the natural wood accents and the playful design language create an exciting decorative element for your four walls. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
