The exciting combination of the materials velvet and ceramic guarantee an eye-catcher. The table lamp KIRAN appears in a modern as well as eye-catching design and thus attracts all eyes. The table lamp can be used in many ways, e.g. as a bedside lamp in the bedroom or on the chest of drawers to create decorative accents. A warm and soft light is emitted via the cylindrical lampshade, which underlines a pleasant light atmosphere. The combination of grey ceramic with golden accents and a beige velvet shade creates a graceful appearance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
