PHILIPS

Highlights

Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Even light distribution

Even light distribution

High light output

High quality light with strong light output. The light shines in a beam angle of 40° - the perfect angle for spot lighting.

80% energy saving

Up to 80% energy saving compared to standard incandescent light sources.

Easy to maintain

Smooth surface finish for easy cleaning

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 15.000 hours (which equals 15 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

SceneSwitch 3 light settings

Dim your lights without having to use a dimmer with SceneSwitch Brightness Change. Change between three brightness levels with ease using your existing switch.
