

## MARBUL RECESSED 115 1X LED GE

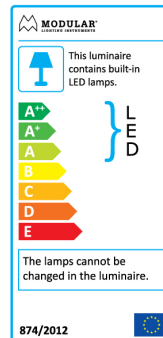

The iconic Marbul portfolio is specifically designed with the renovation market in mind, suiting any space and integrating into existing infrastructure with ease. Marbul recessed is characterized by a thin trim of 5mm through which 1 or 2 spheres appear to hang gently from the ceiling without any visible attachments. Flexible installation accessories such as the conbox and gypkit enable installation in concrete ceilings. Adjustability remains the same: lamp units can be rotated 360° and inclined approximately 45°.

Art. Nr. 14220309

### SPECIFICATIONS

Lamp	1x LED Array	
Gear / Transfo	LED gear not incl.	
Cut-out size	ø 108 h 100	
Weight	0.95kg	
Min. Distance	0.1 m
