Accentuation in a graceful form! The CHIROS wall and ceiling light enhances the look of any living room or bedroom. The design of the light is created primarily by the artistic grain of the surface. With a diameter of 22 cm, the light can be wonderfully combined in multiple versions. Its gold-coloured look makes it a real eye-catcher and can be placed appropriately in modern furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
