Guaranteed to be a highlight in your home! The modern vintage-style light impresses with its combination of real wood and metal, creating a cosy atmosphere. The ceiling light cuts a particularly fine figure in the living room, bedroom or hallway, where the spotlight is shown to its best advantage as a central element. The 2-light KHAN ceiling light has a height of 20 cm and a width and length of 40 cm. With the great combination of wood and metal in antique nickel, the light fits perfectly into modern furnishing concepts and is a real highlight for vintage fans. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment at the same time
