Discover the ZODIAC ceiling light that brings the moon within reach! With an unusual design featuring a constellation and the moon in an impressive 3D effect, this light is a real eye-catcher and a decorative element in its own right in your bedroom. The soft indirect lighting creates a glare-free, cosy light that invites you to dream and relax. Using DIP SWITCH, you can also set three different light colours via a switch directly on the luminaire. The integrated SWITCH dimmer allows you to set the brightness in three levels (100%, 50% and 25%) using a conventional light switch. The ZODIAC impresses with its special metal design in brushed aluminium and blends seamlessly into any existing interior. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
