The boldly designed ARGOS pendant light embodies modern lightness and will become a special and harmonious lighting object in your home. The integrated SWITCH dimmer allows the luminaire to be switched to three brightness levels (100%, 50% and 25%) using a conventional light switch. Placed in the living or dining area, it becomes an eye-catcher and also blends in stylishly with various furnishing styles. The eye-catching design in chrome and white adds stylish elegance to your home. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
