The unusual LEAVY ceiling light impresses with its multitude of plastic leaves. This will make the lamp a highlight on your ceiling. An enchanting lighting object for living areas whose style can be assigned to Young Living. The black and gold plastic leaves and the black matt canopy can be combined with other different colour concepts, making it wonderfully easy to integrate into your home. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
